The diagram illustrates a complex geometric structure with points A, B, C, D, and E. The structure is composed of several interconnected regions defined by solid and dashed lines. Key numerical values are labeled in blue and red, some in parentheses, indicating specific measurements or coordinates. A small square is located at point A.

Labels and Values:

- Blue Labels:** 73.4, 114.6, 199.6, 85.0, 52.4, (57.0), 15.0, 96.6, 38.0, 38.2, 130.2, 92.0, 113.6, (197.6), (210.4), (168.2), 21, 2, 1, 2.
- Red Labels:** 79, 70, 77, A, B, C, D, E.

Geometric Features:

- Points:** A, B, C, D, E.
- Lines:** Solid black lines and dashed black lines.
- Angles:** Indicated by a small square at point A.
